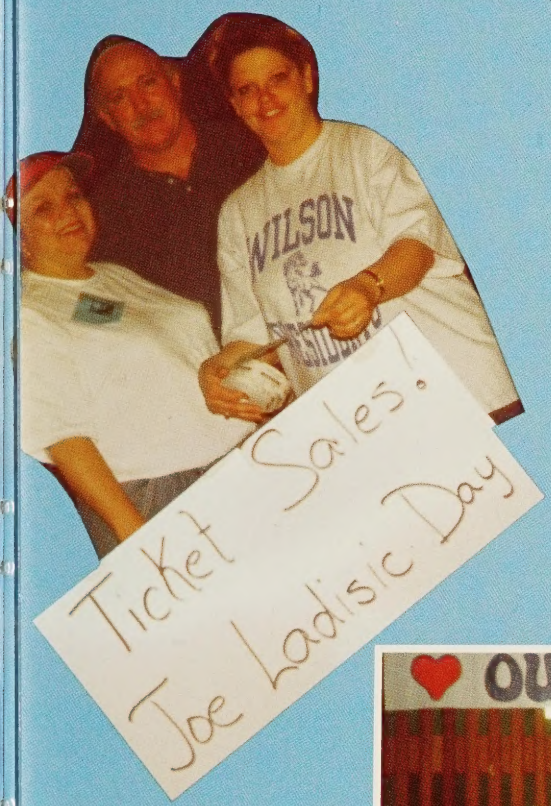
An Inspiration For All!!

Coach Ladisic



Coach Joe Ladisic returned for the 1996-97 school year after making a miraculous recovery from colon cancer. His return brought a smile to the faces of students and faculty. Coach Ladisic is well loved by all. He teaches biology, coaches varsity baseball and was the former coach of the varsity football team. Ladisic hopes that his story will inspire students to persevere through school and other challenges. His battle lasted 8 months beginning in January '96 when the cancer took a turn for the worse. The cancer began to spread to his lymph nodes; leading him through months of ongoing chemotherapy. Medical tests before the school year of 1996-97 didn't reveal any cancer infected cells. Ladisic has recently regained the 40 pounds he lost and likes to point out that he still has his hair. News of the diagnosis led Wilson students and other community members to sponsor events to raise money for his medical bills. Students began visiting him so frequently in the hospital, that our former principal asked them to cease, so he could have peace and quiet. Coach Ladisic kicked off his first day back by telling his students his own biological nightmare. Wilson was excited knowing that Ladisic was back and well! Everyone hopes he will remain healthy for many years to come. COACH LADISIC, WE LOVE YOU AND WE'RE GLAD YOU'RE BACK!

Reaching For The Stars

The Wilson Presidents have strived hard this year to succeed in all of its endeavors. We have "reached for the stars", believing nothing is impossible to achieve. Through hard work, all segments of our school population has excelled. For the third year in a row, Wilson was recognized by the Portsmouth School Board as an outstanding, role model school.

Wilson's faculty and staff, as always, encouraged its students to achieve and maintain a 2.0 grade average so that they could participate in sports and extracurricular activities. The school board has mandated that a 2.0 grade average must be maintained by all students if they wish to be involved in after school functions.

The Wilson Presidents experienced a new type of scheduling this year, known as block scheduling. This system gives students a chance to take eight classes a year, four per semester. Each class meets daily for ninety minutes. Students can "reach for the stars" by being exposed to more classes. As a result, requirements for graduation have changed from 22 credits for a regular diploma and 24 credits for an advanced studies diploma. New students are encouraged to take more vocational courses along with higher academic classes.

Another new opportunity offered here at Wilson this year is the Excel Program. The objective of this program is to assist students in achieving academic success and self improvement, and to earn high school credits and a diploma. Classes are held in the evenings from 3-10 p.m. Monday through Thursday. The principal of the Excel Campus is Ms. Briley, a former assistant principal at Wilson. There is no age limit to join Excel, but you must be over 17 years old.

Under the leadership of Mrs. Gail Silvasi, the Magnet Program is flourishing. It is a four year program of study for students who are interested in careers that may be of a global nature. Students in this program are expected to take a minimum of four years of a language, enroll in honors courses, successfully complete magnet courses, and be willing to use current technology. This year the magnet program has taken trips to Washington, D.C. and New York. The program is currently researching grants that will pay for Wilson students to travel overseas and become exchange students. What a wonderful opportunity!

The 1996-1997 school year was a productive and successful year. The Wilson Presidents will continue to "reach for the stars", leading them well into the 21st century.

Spirit Runs

Kelly, Theo, and Donte show their spirit.

Back in the day.

On October 28-November 1, Wilson celebrated Homecoming Spirit Week. Students showed their spirit with some of their crazy and creative outfits.

Monday started the week off with **Twin Day. Mix-Match Day** was on Tuesday. This day was the time to wear whatever you wanted to wear, anything that did not go together. Wednesday was **Sports Day**, students were encouraged to wear their favorite team shirts. Thursday was **Oldies Day.** It was funny to see people wearing polyester and leather. This was definitely the favorite day during Spirit Week. The final day was **School Colors Day. Go Silver & Blue!** Spirit Week was a success and hopefully it will stay a tradition for years to come.

Double Trouble.

Ms. Anchors gets in on the action too.

Woodrow Wilson High School students attended the High School Day at the University of North Carolina, Elizabeth City campus. It was a fun filled day, that included a tour of the campus, the greeh step show "kicking" and rapping with the "home boys" (home girls too!). Later the students watched an exciting football game and the dual of the bands.

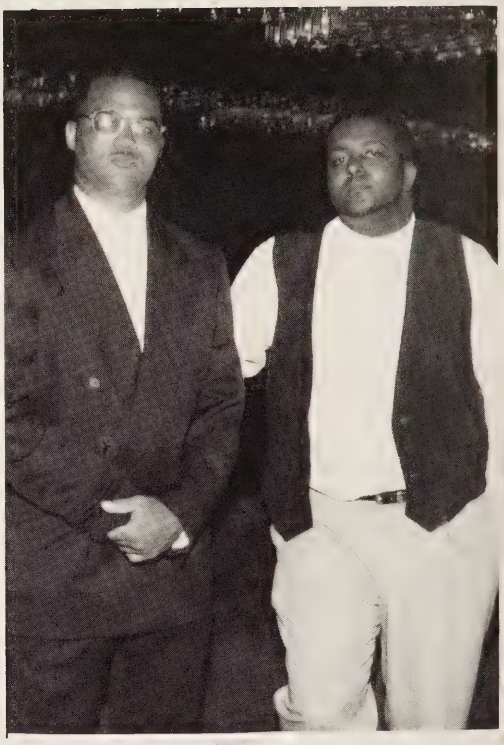
Many of the Presidents attending Open House had not made up their minds to which college to attend, but the fun that they had on campus and the all you can eat dinner at the Golden Corral Restaurant gave the blue and white the edge on recruiting the Class of 2001 from Woodrow Wilson H.S.

Shawrn hopes to gather valuable college information.

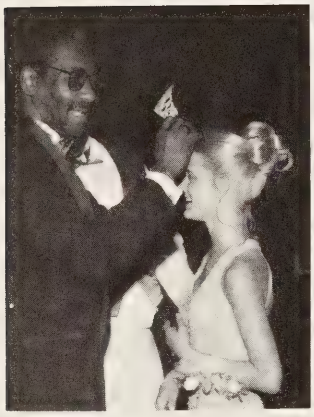
On High School Day

Tonight's The Night To

Distinguished Gentlemen.



King and Queen, Bubba Finch and Jennifer Honeycutt.



Crowning the Queen.

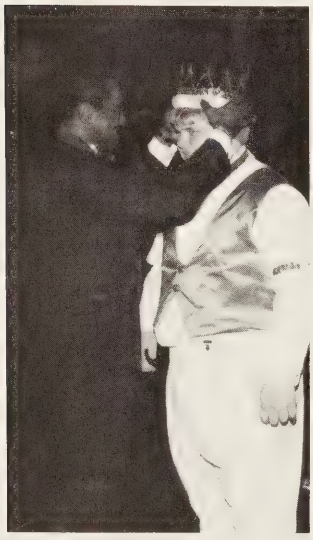
Prom '96 was held on May 11, 1996 at The Showcase. It was a memorable night for all, despite the heat. Anyone who was there understands.

The theme of Prom '96 was "Tonight's the Night." Prom King and Queen were Bubba Finch and Jennifer Honeycutt. Junior Prom Prince and Princess were Kendra Rascoe and Laurice Parham.

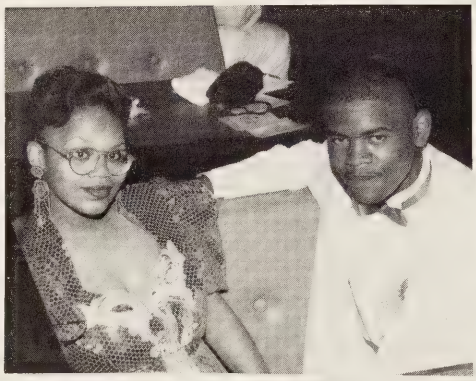
The after prom party was held at Pinboy's in Western Branch. Everyone partied from 12 a.m. to 6 a.m. thanks to the help of the PTSA and Chairman, Mrs. Sherry Midgett.

Thanks for a night to remember, Mrs. Glenda Jarman, junior class sponsor, and junior class.

Party of six!



Big Daddy gets crowned.



The night is still young.

Juniors Celebrate

June was a month to celebrate for the mighty juniors! They had a lot to brag about ... for the second year in a row. The Wilson juniors had scored big on the TAPS test. To celebrate, our school threw a big party in their honor to show how proud we were of them. Juniors were dismissed from their classes at the end of second period to go out to the field behind the gym for a picnic. Fellow students pitched in with the barbecuing and the students enjoyed munching out on the delicious food — hamburgers, hot dogs, and chicken. While eating we were entertained by the band ORPHEUS comprised of fellow Wilson classmates and alumni. Thanks CLASS OF 1997 for another job well done.

The band was live.

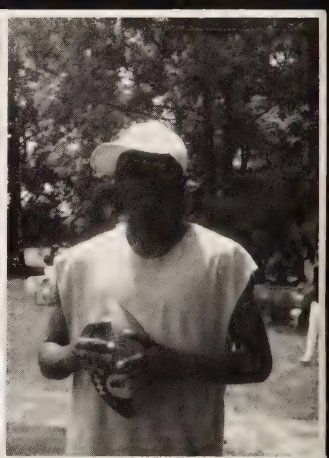
Just chillin'.

Mr. Wallace, the man who made it possible.

Grubbin.

What's Joi doing in the picture?

Catching some rays.



Phillip gets ready to play ball.

High Tap Scores!

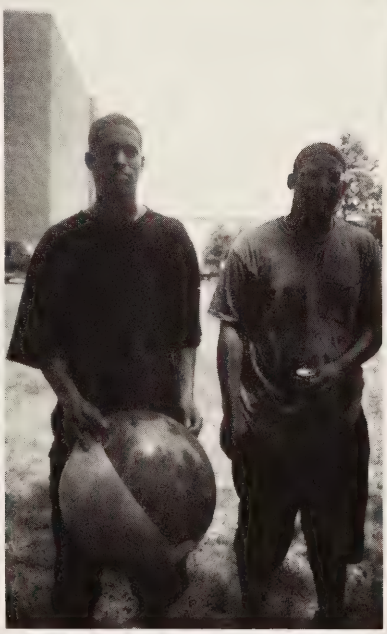
Just having fun.

Up to no good!

Is Jamon the mack or what!

Just hangin around.

Huh?



Hey let's play catch.

This isn't a Coke commercial!

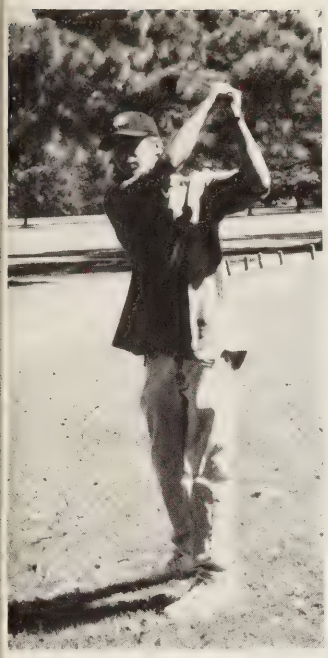
Golf Team Has Challenging Year



Andy follows through with a practice swing.

Back row: Coach Pullen, Ed Powell, Jimmy Key, Aaron Short.
Front row: Eric Coltrain, Andy Thomson, Ryan Duncan.

GOLF

The golf team finished the season with one victory. The matches were played at Bide-a-Wee, Sleepy Hole, Lake Wright, and Ocean View. The team was coached by Mr. Pullen and consisted of 2 seniors, 2 juniors, and 2 sophomores. Eric Coltrain was a medalist in 3 matches, qualified for the Regional Tournament, and was the "MVP on the Team." Andy Thomson was the "Most Improved Player" on the team.

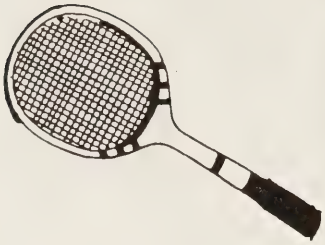
1996 Girl's Tennis Team



The Girl's Tennis Team finished the year 3-5. The highlight of the year was the addition of Foreign Exchange Student Lora Tasseva from Bulgaria. Lora finished 3rd in the Eastern District Tennis Tournament, the highest finish anyone can remember. The addition of Seniors Carrie Holley and Erica Davis, as well as underclassmen Yen Nguyen, Tina Winther, and Kimberly Hooker to veterans Laurie Monacelli and Tara Welch, made this one of Coach Littlefield's most enjoyable years.

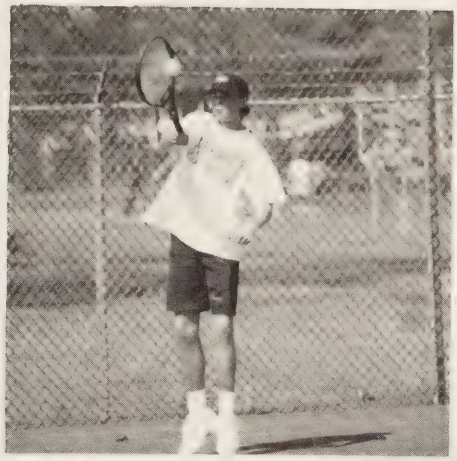
Boy's Tennis "Playin" It Cool



Andy reaches high for a forehand.

The Boy's Tennis Team completed a rebuilding year in which there was only one senior. Six of the members of the team were freshmen or sophomores. Andy Thomson (Jr.) was "First Team All-Southeastern District." Although the team only won a few matches, they were very competitive and they always had fun.

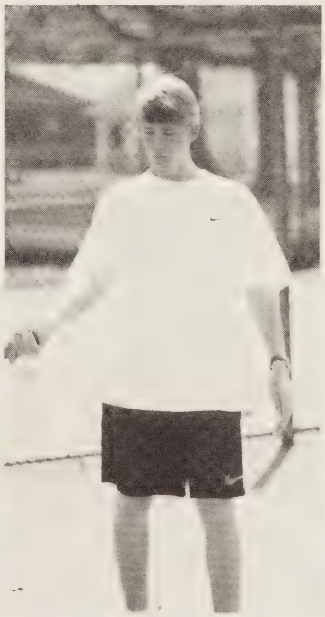
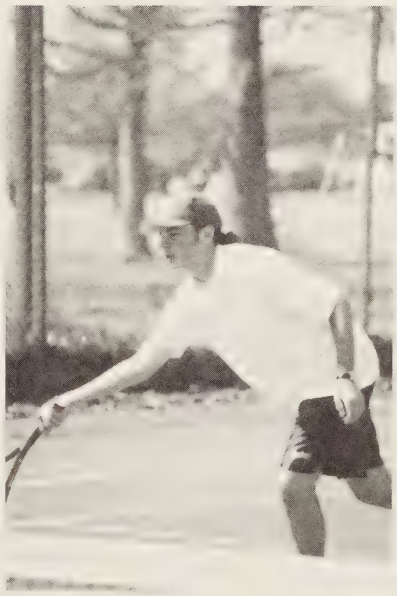
Great serve Brad!



Mike calmly returns the shot.



Stretch out for it Ryan!

Tim watches the ball closely.

Girls Go For The Goal

Outside midfilder working the ball out of the Wilson zone.

The 1996 Girls Varsity Soccer season began with tremendous promise. We had ten returning players. In particular, Capt. Natalie Barnes won "1st Team All-District Honors" the year before. Previous second team and honorable mention players returning were Carrie Holley, Frances Genera, Jennifer Lawrence, Mindy Cathell, and Kristi Unzicker.

Wilson started winning games immediately against Lake Taylor, Booker T. Washington, and Churchland. Then the tables turned, injuries took their toll. Lost during the season were Carrie Holley (knee), Franchestica Davis (knee), Frances Genera (ankle), Jennifer Lawrence (knee & hip), Kristi Unzicker (hip), and Kathryn Keady (knee). We provided plenty of work for the athletic trainer, but our bench became too thin to provide adequate substitution for the remaining players who were giving it their all.

Forward — Played outside wing, has quick acceleration, loves to outrun the opponent.

Mindy, Anniina, and Allegra form a wall to defend a shot on Wilson's goal.

BACK ROW L-R: Coach Lewandowski, Tammy Reese, Pam Willie, Eboni Oliver, Carrie Holley, Allegra Madsen, Elizabeth Montgomery. **FRONT ROW L-R:** Franchestica Davis, Frances Genera, Jennifer Lawrence, Tracy Mitchell, Natalie Barnes, Mindy Cathell, Kristi Unzicker, Kathryn Keady. **Not Pictured:** Dipti Patel, Jovan Bowser.

Boys Soccer ... Kickin' It

The 1995-96 soccer team had a tough season, winning only one game. The bright spot for the Presidents was the leadership of Ade Patton. The Presidents have all of their players returning for the 1996-97 season, so expect bigger and better things from them.

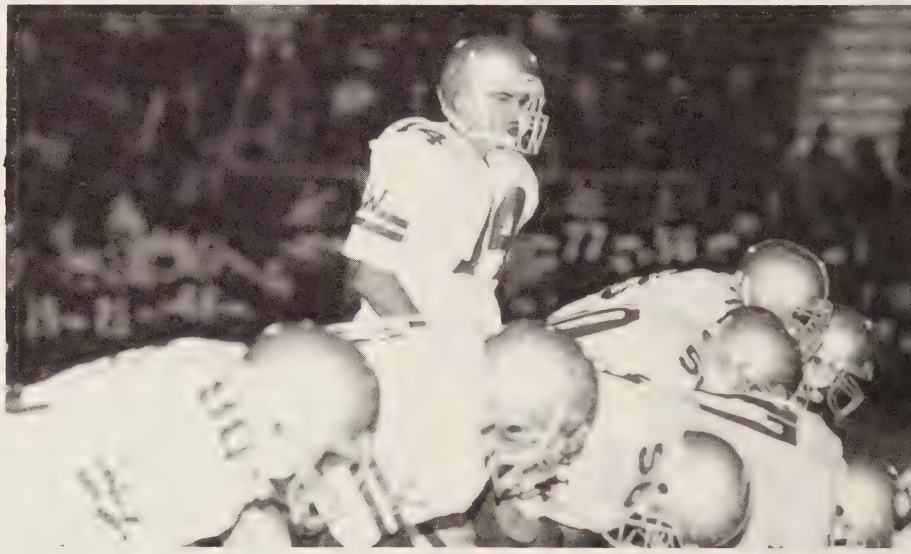
The highlight of the season was the team breaking a 17 game losing streak. Hats off to our seniors who hopefully have brought a new sense of winning to our football program. The lost seniors will be greatly missed. They are Tim Reardon, Laurice Parham, Lance Stanaway, Willie Glenn, Brad Lewin, Diamond Staton, Jowan Harrell, LaShawn Henderson, Donte Barnes, and Theodore Collins. These seniors have set standards of pride and a tradition to strive hard and never quit. This tradition has rubbed off on our returning players, as they have already begun to prepare for the 1997-98 Football season.

Let's rock!



Check out that right side.

JUNIOR VARSITY FOOTBALL 1996-1997

Our Junior Varsity Football Team had a very competitive season with the highlight being a big win over Churchland.

Offensively the J.V.'s were led by Dennis Self, quarterback and Mohonda Whitfield, widereciver.

Defensively the J.V.'s were led by gregory Gilmore, linebacker.

The leading rusher for the J.V.'s was Michael Ellis. Coach Cassell praised the team for their work effort and winning attitude. Look out Eastern District in '97-'98.

"Let's go, Wilson"

The Woodrow Wilson Girls Volleyball Team had its most successful season ever this year. The team's record was 4 wins and 8 losses. However, this represents the most wins in a single season the volleyball team has ever had. (The team had only won 4 matches in all the previous years combined). The serving of Nikki Goral and solid attacking of senior Carrie Holley, helped the team greatly. Dee Dee Fox led the team in saves. Carrie Holley's leadership and determination will be missed next year.

Boys And Girls Track

Coach Dugan is a "Two-Fisted" Timer!

Keep your eyes on the finish, Talia!

Chris shows how to triple jump.

The Lady Presidents were paced all season by Jenita Harris who was second in the district in the 100 meter hurdles. Jenita qualified for the Regional and State Track meets. She also continued an outstanding Wilson track tradition by qualifying for the "High School National Track & Field Championships" in Raleigh, North Cardina. Jenito placed 16th in the 100M high hurdles and 20th in the 300 meter hurdles. Also, performing well in quad meets were Chamae Barringer (hurdles & jumps), Terri Rivera (hurdles), and Christine Farrell (jumps and throws).

Chamae Barringer is #2, but trying harder.

Jenita Harris leads the way to the finish.

Chris Farrell is going on the competition.

GIRLS CROSS COUNTRY

The girls had a good season finishing the regular season with 3 wins and one loss. During the Eastern District tournament, the girls finished 3rd overall from a field of 8 teams. The Wilson girls cross country team qualified for the regional by finishing among the top 4 teams in the district championship. The team is young and with alot of hard work they will continue to improve.

BOYS CROSS COUNTRY

The boys had a very good season. After losing two top runners in South Hampton roads to graduation, this was expected to be a rebuilding year. However, the boys finished the regular season with 3 wins and 1 loss. The boys cross country team wasn't expected to do well at all but finished 2nd overall in the 8 team field Eastern district championship and qualified for the regionals by being among the top 4 teams in the district.

Softball ... Up To Bat

Girls Softball is a sport that takes many talents. It also requires you to concentrate and work hard together as a team to reach the same goals. This year's softball team is a very experienced team made up of mostly juniors and seniors. Coming off a disappointing season last year, we had a lot to prove to ourselves and school. With a little more dedication, we had a very good chance to win the conference title and even on to the state playoffs. With a little love and understanding of each teammate and the willingness to be a softball family, we should have a lot of fun this year and the only way to have fun is to win.

Wilson Baseball Team

The Wilson Varsity Baseball Team had a successful season considering the team was very young. With only 2 seniors on the team, Jason Morgan & Mike Livesay, Wilson still managed to play competitive baseball throughout the season and get key wins over Oscar Smith, Churchland, and Indian River.

The strengths of the team were Jason Morgan's powerful bat, Brandon Todd's consistent batting average (545 for the season) and Nate Anthony and Laurice Purham's pitching performances.

The weaknesses of the team were lack of experience and timely hits in certain situations. The team was coached by Billy Kline.

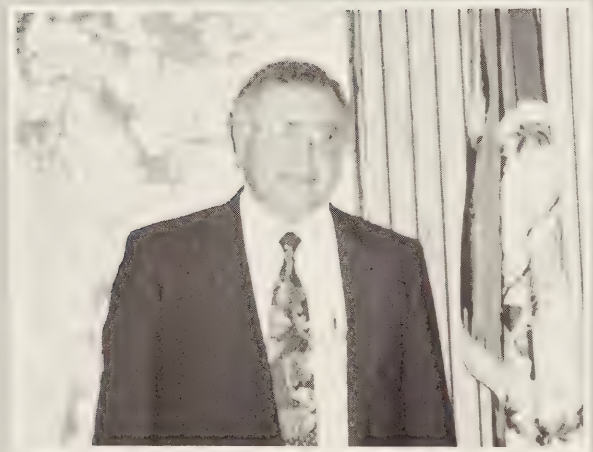
Wilson's Hall Of Fame

Wilson High School welcomed two new administrators this school year. Our distinguished principal, Mr. William Gibson, is serving as principal for the first time. He served eighteen years as band director at Harry Hunt Jr. High School, Cradock High School, and Manor High School. Mr. Gibson left the classroom in 1988 to serve as assistant principal for five years at I.C. Norcom and two years at Churchland High School. In his spare time, our capable principal enjoys visiting the sick, reading Bible, and watching sports on television.

Wilson's other new administrator is Mrs. Susan Bechtol. She taught emotionally disturbed students for eleven years in Norfolk, worked with SECEP, and served as Dean of Students for five years with Norfolk Public Schools. Mrs. Bechtol loves all sports, especially college basketball and the Dallas Cowboys.

Wilson's veteran administrators are Dr. Joseph Pociask and Mr. Kenneth Porter. Dr. Pociask has taught social studies and served as assistant principal at Norcom, Manor, Wilson, and Cradock High. He also was Portsmouth's Social Studies Director. Dr. Pociask enjoys fishing, astronomy, gardening, and listening to rock and classical music. He would like to share this with the student body, "Students who take pride in their work and school, take pride in themselves."

Mr. Porter comes to our school with thirty years of teaching experience as an art teacher. This is his second year as assistant principal at Wilson. In his spare time, Mr. Porter enjoys singing, karate, drawing, painting, and playing the bass guitar.



Mr. Gibson holds a B.S. degree in Instrumental Music Education and a M.A. in Music Education from VCU, and he holds a C.A.S. from ODU. Dr. Pociask holds B.S. and M.A. degrees in Social Studies from ODU, a C.A.G.S. degree in Education from ODU, and a PH.D. of Education in Administration. Mr. Porter holds a B.S. degree from Elizabeth City State University, a M.A. degree from Catholic University of America, and a C.A.S. from ODU. Mrs. Bechtol holds a B.S. in Special Education for JMU, a M.A. from G. Washington University, and is a VPI doctoral candidate.

The Democrats Take Wilson

Wilson held a mock presidential election on November 1, 1996. The government students in Mr. Shepard's, Mr. Claud's, Mr. Littlefield's, and Mr. Willett's classes made posters of the presidential candidates, each advocating an issue. These posters along with red, white, and blue streamers, adorned the humanities wing. The advanced placement government students stayed after school, spending many hours decorating the halls in a patriotic, presidential theme. An electoral map of the United States was drawn by the government students and displayed outside the social studies classrooms. Each classroom at Wilson was assigned a state and it's electoral votes. Before our mock election occurred, the advanced placement students held a campaign rally during fourth period in the Little Theatre. Classes were invited to listen to campaign speeches, slogans, and songs. Students presented well-researched, informative speeches to the perspective voters of the election.

November 1st was election day at our school. Every student was allowed to participate, if they choose to do so. The election took place in the first period classes and votes were sealed, signed and delivered to the government students in Mr. Claud's class. After carefully counting and tallying the votes, President William Jefferson Clinton was re-elected by Wilson voters for a second term of office. Seventy-nine percent of Wilson students participated in this mock election. It was a great educational experience for our students to see how the election process works in our country. A big thank-you to all of our government teachers and students for their hard work!!!!

CHROME Brings Local Celebrity To Wilson

Weather is everywhere!

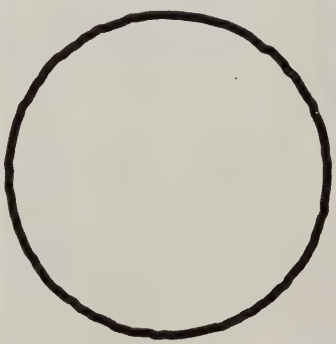
Hey! I got my chocolate!

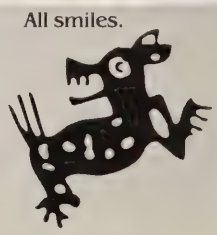
Hmm! I wonder what it could be.

This year the Woodrow Wilson Chapter of **CHROME** Club (Cooperating Hampton Roads Organizations for Minorities in Engineering) invited a special guest to speak to our school. The guest speaker was meterologist Jon Cash of WAVY-TV 10. He comes on the channel's morning news show and informs Hampton Roads of the up and coming weather changes in his forcast. Several science classes came to hear Mr. Cash speak on the importance of science and education in the lives of young people. The weatherman was well received and this was a memorable experience that many Woodrow Wilson students will never forget.

It's not a bird, it's the WAVY-TV 10 weather guy!

All smiles.





Life Off Wilson Campus

Student life goes beyond the halls of Wilson High School. Life outside of school consists of afterschool jobs, homework, and chores. On this page, you can see Wilson students working at afterschool jobs. Extra money is needed for gas, car insurance, class dues, and other miscellaneous teenage expenses.

Afterschool jobs not only provide financial relief, they also give students an opportunity to learn responsibility so that they can prepare for life after high school.

Last year the Spanish club raised money for a fun trip to Spain. They sold Avon, candy, held a breakfast at Golden Coral, and washed hundreds of cars to raise enough money to travel to Spain. On June 14, 1996 a very anxious Spanish Club along with chaperones, Ms. Lee & Ms. Olds, left for a trip of a lifetime. They took a plane to Switzerland and then traveled to Spain. The students visited Madrid, the Costa Del Sol, Granada, Ronda, and the Mayas. Finally eleven days later, the exhausted students returned to the good ole U.S.A.
